

SmartTech AI Support Platform

Company Policies

Version 2.4

Effective Date: January 2026

Code of Conduct

All users are expected to communicate respectfully and professionally.

Harassment, abusive language, discrimination, hate speech, spam, and illegal activities are prohibited.

Violations may result in account suspension.

Acceptable Use Policy

Users may use the platform for legitimate business purposes only.

The following activities are prohibited:

- Uploading malicious software
- Attempting unauthorized access
- Sharing API keys publicly
- Automated abuse of the platform
- Reverse engineering platform services

Privacy Policy

SmartTech collects only the information required to provide its services.

Customer conversations may be processed by AI systems to generate responses.

Personal information is encrypted in transit and at rest using industry-standard encryption.

Data Retention

Support conversations are stored for 180 days by default.

Administrators may configure shorter or longer retention periods.

Deleted documents are permanently removed after 30 days.

Account Security

Users are responsible for keeping passwords confidential.

Enable Multi-Factor Authentication whenever possible.

Report suspicious login activity immediately.

Refund Policy Summary

Refund requests are accepted within 30 days of purchase.

Digital subscriptions may be refunded within 7 days if usage is minimal.

Enterprise agreements follow contractual terms.

Subscription Policy

Starter, Professional, and Enterprise plans renew automatically unless cancelled before the renewal date.

Invoices are available from the Billing page.

Service Availability

The platform targets 99.9% uptime.

Scheduled maintenance is announced in advance whenever possible.

Emergency maintenance may occur without prior notice.

Support Levels

Starter: Business hours email support.

Professional: Priority email support.

Enterprise: 24/7 priority support with dedicated account manager.

Policy Violations

Accounts may be temporarily suspended or permanently terminated for repeated violations.

Serious security incidents may be reported to the appropriate authorities.
